The Folly Theater is a non-smoking facility.

Technical Specifications

Note: This list is not to be considered the last word. Some equipment may be replaced or under repair.

Semi-trucks must be unloaded/loaded in the street (Central Street) due to the pitch of the drive entering the stage door.

Busses must be parked in the street due to the pitch of the drive (you will high center). There is a hydraulic dock plate in the receiving area that raises to truck height. Trucks more than 8' 10" wide will not fit in the door making it impossible to use the dock plate.

Load-In Doors:	Receiving Doors to Stage	Proscenium
Width 9'0"	Width: 6'7"	Width: 33' 11"
Height 15'6"	Height: 21' 5"	Height 21' 6"
